STB is the seller of all tandem skydives and other ancillary items, including but not limited to certificates, photographs, DVDs, and merchandise. All dealings with STB will be on these Terms of Trade unless otherwise agreed in writing with STB.

1. Booking Terms and Conditions: All paperwork, safety briefing and gear-up must be completed. At the time of booking, validity of various package offers should be confirmed as STB reserve the right to change without notice. All bookings are given an 'Arrival/Check in' time only. Please note this is not a 'skydive' time. Whilst STB endeavour to complete an individual's tandem skydive within 4 hours of arrival, STB advise you to arrive with no time constraints – you should plan for this to be a whole day's activity. As safety is STB's main concern, factors such as wind, cloud, rain, thermal turbulence etc. and other factors such as air traffic can affect the time it takes to complete your skydive activity. Weather can change for better or worse in minutes, and you will be unable to skydive unless you are at STB's Drop Zone. Weather conditions and other unforeseen circumstances can also require STB to alter the altitude of the skydive. As aircraft are mechanical and periodically become unavailable, STB reserve the right to change aircraft type without notice. On occasion, these aircraft changes and Air Traffic Control (ATC) may require STB to change the required altitude and number of participants in a plane. Further, STB reserves the right to reschedule your skydive. Medical conditions which could affect your safety should be discussed with your doctor prior to your booking. No alcohol or "recreational" drugs are to be taken for at least 8 hours prior to arrival. Please advise STB if you are taking prescription medication. Minimum age is 12 years old and all minors must have a legal guardian present on the day of the tandem skydive. All persons are subject to Tandem Master assessment. Weight over 110kg is subject to Tandem Master assessment. All persons 95kg and over will incur a surcharge of \$50.00 AUD (inclusive of GST). Those 105kg and over, a surcharge of \$75.00 AUD (inclusive of GST) applies. Discount coupons are valid only for direct bookings with STB as specifically stated on advertisement. Booking agents are not obliged to accept discount coupons. All Public Holidays incur the regular tandem skydive weekend rate. All online bookings incur a \$4.95 per transaction fee (inclusive of GST). All bookings are final, no refunds are given for change of mind or change of experience to a lesser value.

2. Booking Changes/Cancellations Policy: To change your booking to a different date and time, STB requires 48 hours notice or your deposit(s) will be void.

3. Group Booking Policy: If there is more than one person tandem skydiving it is the group organiser's responsibility to ensure everyone in the group understands and accepts the STB Terms and Conditions. Group booking organisers must assist STB by providing a group organiser contact and organising individuals who wish to tandem skydive together. Last minute additions to group bookings are required to pay their deposit prior to arrival at the Drop Zone. Those arriving at the Drop Zone without a deposit will have to wait until the conclusion of the day's bookings before tandem skydiving. While STB endeavours to keep groups in the same load, STB does reserve the right to change group configurations where necessary due to operational requirements. No refunds will be made available where STB changes your group configuration.

4. Gift Vouchers Policy: Vouchers are non-refundable, not redeemable for cash, but are transferable. As of 6/12/12, all gift vouchers purchased directly through STB will expire 18 months after purchase. Failure to show on your scheduled date and time will render your voucher invalid. Treat your voucher like cash and take care not to lose it. Remember to present your voucher on arrival to check-in as without it, you are unable to skydive. Lost or stolen gift vouchers are non-refundable and no replacements are available. Where the cost of your experience is greater than the value of your voucher, you will be required to pay the difference. Where the cost of your experience is less than the value of your voucher you will not be entitled to a cash refund. **If your voucher is lost or stolen, you are unable to redeem your skydive and will be required to purchase a new voucher.** "VIP Gift Vouchers" are valid for six months and have separate terms and conditions which can be obtained by emailing marketing@skydive.com.au. When booking an Adventure Package, purchasers must also agree to the terms and conditions of the relevant partner suppliers which can be obtained by contacting these suppliers directly.

5. DVD and Photo Terms and Conditions: DVDs and photographs purchased through STB remain the copyright of the videographer who took the footage and they own and retain the right to the footage and photographs. A licence agreement exists between STB and the respective videographer who took the respective footage. Such footage may be used by STB for company marketing purposes and reproduction of DVDs sold, and may only be used or reproduced by the purchaser or recipient for private or domestic purposes and must not be used for any commercial purpose, including promotion of any supplier or any supplier's products or services without the videographer's and STB's prior permission. Should you not want any of your footage or photographs uploaded to STB social media platforms, or used in company marketing, it is your responsibility to advise manifest prior to your jump. Please be advised that should there be any technical issues relating to camera/dubbing equipment, no warranties can be made against the individual skydive as the filming and skydive are two separate products. Also be advised that the videographers record all DVDs in the modern (-) negative format. Older style DVD players may only play in a (+) positive format. All DVDs purchased through STB will be tested on the day of your tandem skydive. DVDs are made available to all purchasers for viewing on that same day, should you wish to view it. Your acceptance of the DVD on the day will be deemed as your approval of the DVD being in full working order. No refunds will be made available after your departure from our offices. Whilst it is not mandatory to book a DVD or photographs it is advisable, as on some occasions a late change of mind may result in disappointment.

6. Privacy Policy: STB is dedicated to keeping your details private. For our full Privacy Policy, please visit STB's website.

7. Security Policy: When purchasing from STB your financial details are passed through a secure server using the latest 128-bit SSL (secure sockets layer) encryption technology. 128-bit SSL encryption is approximated to take at least one trillion years to break, and is the industry standard. If you have any questions regarding our security policy, please contact STB on info@skydive.com.au.

8. Refund Policy: Deposits are per person (individual). Deposits are \$110.00 for your tandem skydive. Deposits are non-refundable but are transferrable. Deposits may be transferred to another person to represent their skydive deposit, however an individual's \$110.00 skydive booking deposit cannot be used to pay your balance or the balance of any other individual's amount owing, whether skydiving alone or as part of a group. Deposits may be transferred between STB drop zones. All gift vouchers are non-refundable but are transferrable. The Purchaser must advise STB in order to transfer a gift voucher. If lost, gift vouchers will not be re-issued. All DVDs recorded by STB will be tested on the day of your tandem skydive. DVDs are available to all purchasers for viewing on that same day, should you wish to view it. Your acceptance of the DVD on the day will be deemed as your approval of the DVD being in full working order. No refunds will be made available after your departure from our offices for those DVDs that are considered not to be in full working order. Failure to turn up at the 'check-in' time will result in loss of deposit. Failure to go through with your skydive will forfeit your jump, no refunds will be given. All bookings are final, no refunds are given for change of mind or change of experience to a lesser value.

9. Drop Zone Payments: Please note payments made at the drop zone with credit card will incur a 2.9% surcharge (inclusive of GST).

10. APF Included: Australian Parachute Federation membership is included in all prices unless otherwise indicated. No hidden fees or prices.

11. Acceptance of these Terms and Conditions: Be advised that once received by STB it serves as authorization of your payment and acceptance of the terms and conditions stated. You also agree to further indemnify STB, its associate companies, directors and associates against any risk or action related to your participation in your skydive.

I have read and understood the above terms and conditions and agree to ensure everyone in the group understands and agrees to the terms and conditions.
